

## "Now You're Talking" - Speaking To Inspire, Motivate and Educate

Talking and connecting with people is not limited to "Public Speaking"

It's how we connect with family, friends, colleagues, superiors and subordinates.

It's when our thoughts and feelings - message and ideas - are understood and when

WE UNDERSTAND others.

In this upbeat, interactive and lively session:

- You'll Learn Four Tips to Connect with Anyone You're Talking to no matter who they are:
  - Words are Powerful - Learn how to use them effectively in any situation.
